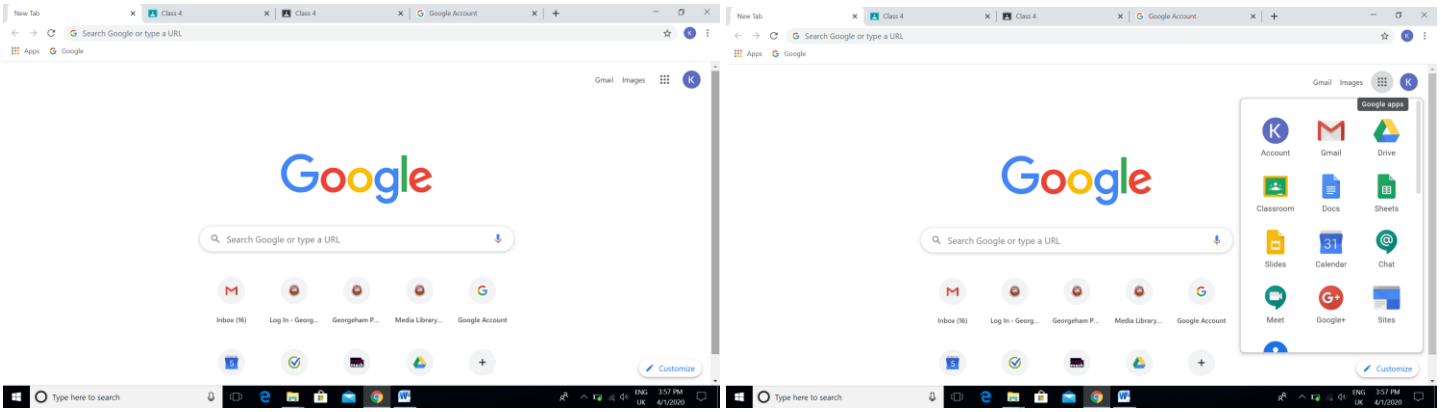
Guide to logging into Google Classroom

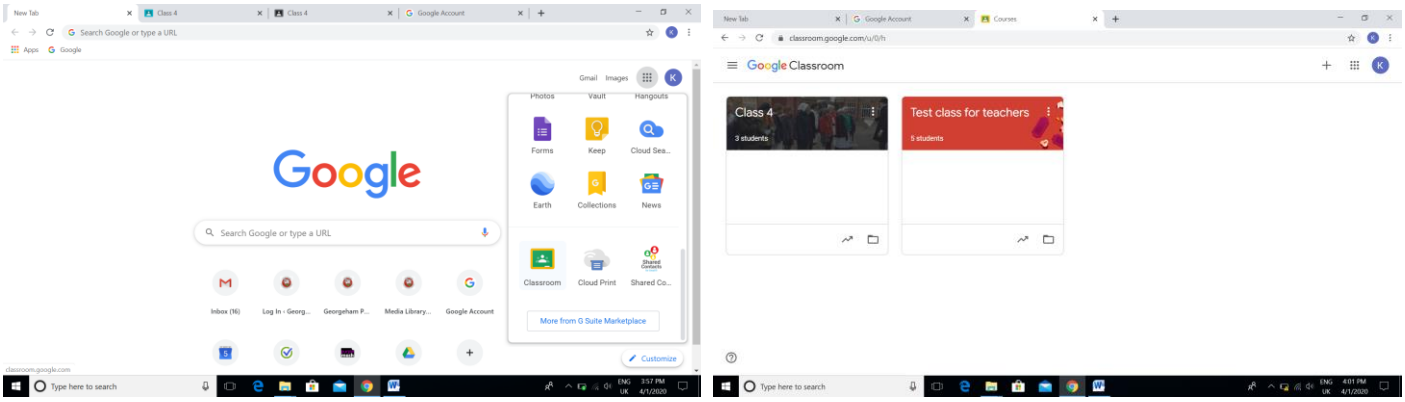
Login details: first 3 letters of your child's first name, followed by first 3 letters of surname (@georgeham-primary.devon.sch.uk). E.g. David Jones would be davjon@georgeham-primary.devon.sch.uk.

Passwords have temporarily been set to google123

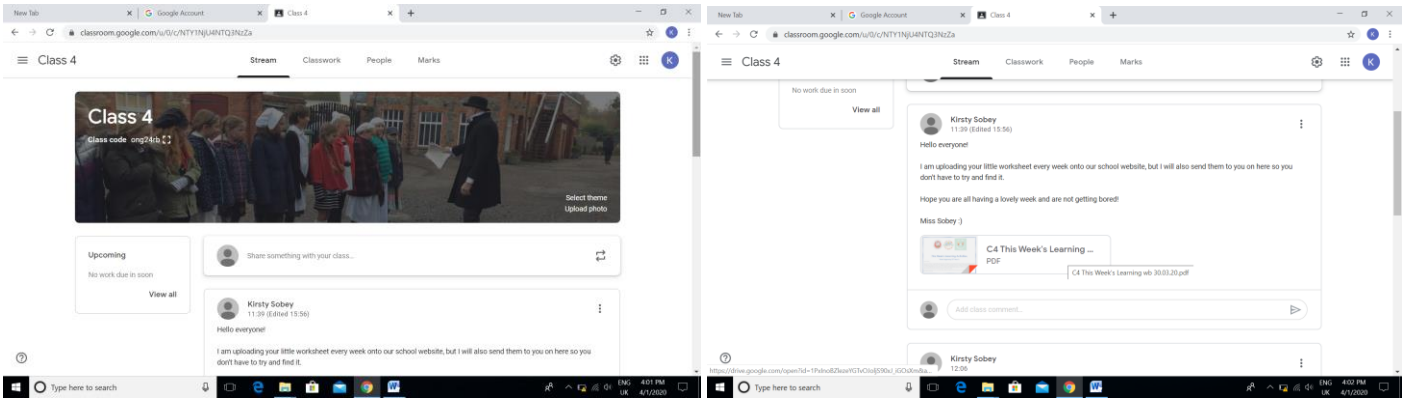
On the Google homepage, you will need to click the little 9 squares next to your initial in the top right hand corner, like this:



Then, scroll all the way to the bottom until you see Google Classroom. Click on this link.



Your child's Class (or year group) should then be displayed. Click on this link.



You will then be on the Classroom homepage. You will see in the example above, Class 4 have been shared their weekly learning sheet.
